iUniverse, United States, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Understanding Leviathan is a study of the connection between a seven-headed sea beast with ten horns detailed in the Old Testament and the last book of the Bible. It reveals the clues to unraveling the mystery behind what our future holds and how Leviathan is used to help others better understand prophecy. Richard Lee has studied the book of The Revelation for over forty years and draws upon his in-depth knowledge of the last book in the Bible to relate modern day events with the word of the Holy Scriptures, ultimately demonstrating how Leviathan represents kingdoms that are literal and used against the Jewish nation. For those who seek answers to many of the most complex spiritual questions, Lee teaches specifically about the truth of Leviathan and the harlot who rides the heads of this sea beast, while also unveiling: The kingdom that returns to dominate the world The obscurity of the last two evil kings in The Revelation The true meaning behind the number 666 The ten horns that troubled the prophet Daniel The destruction of world trade and the rise of a false religion. Understanding Leviathan and its careful examination of The Revelation provides a greater understanding of the Biblical Scriptures and awakens all spiritual seekers to the sobering thought that when the end comes, being prepared, saved, and enduring in faith is the final test before God reclaims this earth.
