## TRINITY: COLLECTING OCTOBER TWILIGHT, NEW ENGLAND COUNTRY FARMHOUSE, IN THE GRIP OF SIRENS AND MORE

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Trinity collects the electronic versions of October Twilight, New England Country Farmhouse and In The Grip of Sirens. Originally published in paper format, these titles are the first three installments in Poetical Perspectives-a series of short volumes of verse from Nocturnal Iris. Also collected is a controversial essay defending the seventeen-syllable haiku, as well as miscellaneous images. With October Twilight (2004), Watkins harnesses the classic Japanese poetry styles of tanka and haiku/senryu in a bid to illustrate the frequent underlying links between contemporary culture and the primitive, archaic-often prehistoric-arrangements of belief, manner, and ritual that were its ancestors. The verse forms and modus operandi in place, Watkins utilises modern customs, pop culture, and Western frivolity as a springboard for diving (albeit subtly) into a dark, murky pool of ancient Celtic (particularly Welsh) myth and folklore, early ceremonial sacrifice, historical malevolence, and humankind's basic animal instincts and primordial fears. The result is a collection that is thoroughly eerie, often esoteric, and sometimes darkly humorous-occasionally, all three at once. Snug in our bedrolls, we contemplate ancestors; outside our pup tent: the spectral blink of blue light hovering above a bog In New England Country Farmhouse (2005), Watkins pays tribute to Laird Koenig's 1970s suspense masterpiece The Little Girl Who Lives Down The Lane. Utilising (mostly) traditional 17-syllable haiku, Watkins draws on the plot of Koenig's novel and screenplay in varying degrees over three sections. The result is a subtly haunting collection in the spirit and mood of the original tale-a cult favourite which continues to echo the dark underbelly of the much-missed 1970s, and which was recently examined at length by Watkins in his e-book View From...
