Brand New Book ***** Print on Demand *****.The history of the nineteenth century holds some ten wars that disturbed the nations of the earth, but perhaps our Civil War alone can be fully justified at the bar of intellect and conscience. That war was fought, not in the interest of territory or of national honour, -it was fought by the white race for the enfranchisement of the black race, and to show that a democratic government, conceived in liberty, and dedicated to the proposition that all men are created equal, could permanently endure.
