

Preparedness and Democratic Discipline (Classic Reprint)

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).
(Payton Miller)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Preparedness and Democratic Discipline The great word of the present day, said Emerson in 1838, is culture. It was the same word with a different meaning with which the war began. Some of the defenses of Germany by which her statesmen and professors sought then to justify her in the eyes of the world raised not merely issues of right and wrong as to the war itself, but issues as to fundamentals in civilization. The Germans asserted a high claim for world power for the Teutonic race, based upon a superior Kultur, a civilization which Germany has evolved and which they declared demands through its success, through its practical results, a far wider sphere of power and influence in world civilization than it has yet received. Some of these claims of Kultur we have forgotten, as they were not often repeated after the first few months of the war. The Germans said, in effect: We alone of the great nations of modern times have succeeded in evolving a great organization of government, a perfection of administration, unequaled in the whole history of the world. We have done it against tremendous odds and in an incredibly short time. France is a decadent and corrupt bureaucracy, masquerading as a democracy. England is a patchwork of disorganized law, feudal survivals, and precedents patched with clumsy adaptations of transplanted modern German ideas - a civilization gone to seed. What right does her civilization give her to the choice place in the sun? What is there about the organization of English government which justifies its continuance except on the basis of sea power and force? Rome lived and spread her...
