Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

A TIME SOON TO COME

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Mr. Comey had first visited Borneo in 1991, detouring from a projected tourist visit to Bali in order to help out a friend by delivering a large bag of much-needed prescription medicines destined for the indigenous Dayak people. Little did he know that this chance diversion would dramatically change his life, now culminating in this inspiring and gripping account of spiritual experience and sheer adventure worthy of a tale by Kipling. Along the way, the author treats us to an erudite and eminently readable overview of the blurring demarcation between the realm of spirituality and that of the newest science, concluding: My claim, from the message, is that the Truth will soon be revealed to each and all of us on a scale and in a way we cannot imagine. In my humble opinion, the power and beauty of this book's message cannot be overstated. I believe it is intended for the whole world. Review by: Emmanuel Elliott It was then that the entity spoke. Generosity. I experienced no surprise and, after a short silence, it continued: Genesis, gene, genuine, generator, genital, gentle, genius. This was an amazing set of seemingly related words. Generosity was repeated. Nonplussed, I asked, What is this? What are you doing? My questions were not thought out. I was in fact hardly thinking at all although very aware . Perhaps this assisted my later ability to remember events and the answers so well. The voice answered my questions as if they were expected. A time is soon coming. . .when human beings will undergo tremendous change. I have carried the message with me for years unsure of whether to...
