Brand New Book ***** Print on Demand *****.Excerpt from The Struggle for Bread: An Impartial Discussion of Some of the Wrongs and Rights of Capital and Labor, Together With an Analysis of Industrial Depressions as Related to the Present Railway System The facts and figures presented to the reader in this little volume belong to everybody. It would be as foolish, therefore, for me to call a great part of the book original, as for the compiler of an arithmetic to call the multiplication table his own invention. I have simply stated somewell-known truths in a popular way, for I do not pretend to be a specialist in the field of economics and social science. I believe that workingmen in overalls should know just such things as are here prepared for their information. The business man as well as the careful student will find, in the notes and throughout the text, many statistics which are invaluable in the study of the so-called labor problem. The form of the book makes it specially convenient for persons who want a manual of reference in public speaking. I cannot close without again emphasizing the importance of the notes. The student should not omit to read them. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
