PRINCIPLES OF VIROLOGY

American Society for Microbiology, United States, 2015. Paperback. Book Condition: New. 4th Revised edition. 277 x 213 mm. Language: English . Brand New Book. Principles of Virology is the leading virology textbook because it does more than collect and present facts about individual viruses. Instead, it facilitates an understanding of basic virology by examining the shared processes and capabilities of viruses. Using a set of representative viruses to present the complexity and diversity of a myriad of viruses, this rational...
