That is what these three people will discover in this steamy tale of sex, love, and deception. Camilla Connor - blonde, beautiful, and innocent. She is in search of love and having the perfect family. When she finally marries, a tragedy will rock her world, threatening her quest to have a child and changing her perspective on how far she is willing to go in the name of love. Parker Cambridge - an attractive, rich womanizer. He is living a privileged life and engaged to a wealthy socialite he doesn't love. Then he meets Camilla, and he realizes his life will not be complete without her. Matthew Stone - a handsome loner, living on his ranch and not looking for anyone. A rainy night will bring him an encounter with a beautiful woman, and from that moment on, his life will be changed forever. And so begins this captivating tale of Camilla, Parker, and Matthew. It is the late 1980s, and they are all on a life journey with different goals and dreams. When their paths cross, their lives will intersect in ways they never imagined, leading them to love, infidelity, and finally the ultimate betrayal, making them question everything they believed in. They will find that dreams can come at a cost, and sometimes, the road to happiness is littered with consequences of actions taken in the name of love. This is a stand-alone novel consisting of 77,000 words.
