KEEPING CHICKENS

Sterling Juvenile. Hardback. Book Condition: new. BRAND NEW, Keeping Chickens, Michael Hatcher, Whether it's moving to the country and starting over on a whim or just making city- living a little simpler and easier, the "Green" movement is changing the way we live our day- to-day lives. Skyhorse's Self-Sufficiency handbooks are meant to help--offering advice on what to do, how to do it better, and how to save money as well. This is a beautifully illustrated series made even more beautiful, because its goal is to help everyone live in a more earth-friendly fashion. This handbook provides an introduction to some of the key aspects of raising chickens. You don't need a large space to raise and keep chickens, and most families find that they only need a couple of hens to keep them stocked with fresh eggs year-round. Packed full of information on the basic housing costs and requirements, food and water requirements, disease prevention, and breeding--this book also includes a comprehensive section on the breeds available, their specific requirements, and a list of resources.
