I But there was another phase of this place s experience not less impressive than its escape from cholera. There was a great diminution of such diseases as diphtheria, typhoid, erysipelas, scarlet fever, measles, and other low forms of sickness, so fatal in the homes of the poor, during the period that the citizens exercised so much care in securing cleanliness. a A word fitly spoken is like apples of f gold in pictures of silver. A word fitly spoken broke the spell of centuries, and completely revolutionized human history. That word was spoken, not at the suggestion of science, nor by a The Word Fitly scientist, but, at the dictation Spoken of common sense, by a lay man who happened to be in authority. It was a plain, simple word, which was understood by the people and which appealed to their common...
