University of Nebraska Press. Paperback. Book Condition: new. BRAND NEW, Fort Marion Prisoners and the Trauma of Native Education, Diane Glancy, At the end of the Southern Plains Indian wars in 1875, the War Department shipped seventy-two Kiowa, Cheyenne, Arapaho, Comanche, and Caddo prisoners from Fort Sill, Oklahoma, to Fort Marion in St. Augustine, Florida. These most resistant Native people, referred to as "trouble causers," arrived to curious, boisterous crowds eager to see the Indian warriors they knew only from imagination. Fort Marion Prisoners and the Trauma of Native Education is an evocative work of creative nonfiction, weaving together history, oral traditions, and personal experience to tell the story of these Indian prisoners. Resurrecting the voices and experiences of the prisoners who underwent a painful regimen of assimilation, Diane Glancy's work is part history, part documentation of personal accounts, and a search for imaginative openings into the lives of the prisoners who left few of their own records other than carvings in their cellblocks and the famous ledger books. They learned English, mathematics, geography, civics, and penmanship with the knowledge that acquiring the same education as those in the U.S. government would be their best tool for petitioning for freedom. Glancy reveals stories of survival and an intimate understanding of the Fort Marion prisoners' predicament.
