THE SAGA OF EVIL BEGINS From a distant galaxy far beyond our

time, the most ancient of all EVIL awoke before descending

upon our unsuspecting galaxy. The planet it reached never

faced such a threat, but didnt submit to it, either. In a final

attempt to survive, a prison between dimensions was built, the

last hope to hold the DARK POWER for an eternity. The planet

withered and died, and its people found a new refuge among

the stars. That planet is now known as: Mars. But even eternity

doesnt last forever. Ignorance and an infantile arrogance of a

nation leads to its release. And once again, it only leaves death

in its wake. Read the fast-paced Sci-FiHorror, where the

elements of OCCULT meet with an advanced MILITARY thriller,

wrapped in a colossal battle between good and evil. The first

part of a new, long-awaited Saga, from the internationally
