Bellissima, United States, 2008. Paperback. Book Condition: New. Penelope Dyan (illustrator). 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the story of Snagatooth, who is commonly known as the tooth fairy. It was written because losing a tooth can be a very scary thing, and that is exactly why the tooth fairy comes and takes away lost teeth and leaves the toothless a treasure. Read all about Snagatooth and then be sure to appropriately place your lost teeth under your pillow, because Snagatooth is a parent approved and certified stranger and has been around for years, and is therefore really not a stranger at all. But please do not remove your teeth solely for the purpose of treasure collection, because all good things do happen in their own time and removing a tooth prematurely can hurt. A former K-12 teacher, published in The Kindergartner, as well as in Instructor Magazine and in Humpty Dumpty children s magazine, and an award winning author, Penelope Dyan has put her expertise, love and knowledge of children to work in each of these children s books that serve as supplements to the Penny Mouse Early Reader Series. Dyan is also the author of Surfer Girl, the first book in a teen book series about a girl named Summer who surfs the waves of the ocean and life as she searches for her legacy. Surfer Girl was the winner of best teen book at both the 2008 New York Book Festival and the 2008 Hollywood Book Festival and is also recognized by Girls Voices In Literature Database, Miami University, Florida.
