

The Trump Impact in 2016

By Freddie L Sirmans Sr

Freddie L Sirmans, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.CONCERNING THE CLIMATE CHANGE MYTH: During the September 16, 2015 GOP presidential debate one of the candidates said something that I hadn't thought of on this climate change thing. I'm paraphrasing but he basically said as I understood it that if the liberals succeeded in taxing businesses and raising a lot of money, it wouldn't actually be spent on protecting the climate. They would find a way to use that money to grow government and finance even more social programs. So, that got me to thinking about this whole climate change matter. The liberals are well aware and knows that giving out goodies is the only thing keeping them in power, so now it all makes sense to me with money getting tight new ways to squeeze the tax payers must be found. And what better way than insanely pushing climate change as a secret cash cow that will keep liberalism fed. Who can argue against a more healthy and safer climate? Now, it is all coming into focus and making sense to...
