Square Circle Press LLC, United States, 2013. Paperback. Book Condition: New. 231 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.When Vincent Schaefer (1906-1993) had to leave high school in 1922 at the age of 16 to help support his family, little did he know that he was about to embark upon one of the most astounding careers in the world of science. He was the founder of both the Mohawk Valley Hiking Club and the Schenectady Wintersports Club, where he established the nation's first Ski Patrol, and made Gore Mountain into a skiing destination. His natural curiosity as a boy led him into archaeological and historical field research later in life, where he focused on such subjects as the old...
