Harper Perennial. 1 Paperback(s), 2008. soft. Book Condition: New. Inspired by Winston Churchill's historical opus, *A History of the English-Speaking Peoples Since 1900* is an engrossing account of the 20th century from the author of *Napoleon and Wellington*, picking up where Churchill left off with a conservative perspective on our turbulent times. In the beginning the United States has not yet emerged as a great power yet the coming century was to belong to the English-speaking peoples, who defeated the Kaiser's Germany, Axis aggression, and Soviet Communism, and who are now struggling against Islamic fundamentalist terrorism. "In Andrew Roberts, the Anglo-American (-Australian-Canadian-Kiwi) Special Relationship has found an advocate of Churchillian eloquence." *Mail on Sunday* (London) 736.
