Oxford University Press, United Kingdom, 2014. Mixed media product. Book Condition: New. 294 x 211 mm. Language: N/A. Brand New Book. MyMaths for KS3 is the brand new course that works with MyMaths to fully deliver the new curriculum, allowing you to finally replace your tired old Framework materials. With a truly differentiated structure so all abilities can access the new curriculum, the course is underpinned by a learn it once and learn it well philosophy that enables coherent teaching and learning. All resources are written by teachers for teachers, so you can be confident that it will work practically in the classroom. This teacher companion is for teachers of middle ability students starting KS3. It contains customisable lesson plans, providing practical guidance based on classroom needs, as well as medium- and long-term plans to offer a viable replacement for the Framework. For the more experienced teacher, the Lesson-at-a-Glance feature provides a snapshot of quick ideas as to how to approach a lesson. Furthermore, the unique attainment profiling provides essential practical guidance on measuring your average ability students progression. A focus on transition from KS2, with key knowledge identified, ensures all your students have the opportunity to consolidate; and a focus on mathematical literacy helps ensure that students communicate effectively using maths, which is essential for KS4. Finally the direct links to MyMaths throughout uniquely allow you to integrate this powerful tool into your everyday classroom delivery.
