Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. How much is conveyed in those two short words- The Parish! And with how many tales of distress and misery, of broken fortune and ruined hopes, too often of unrelieved wretchedness and successful knavery, are they associated! A poor man, with small earnings, and a large family, just manages to live on from hand to mouth, and to procure food from day to day; he has barely sufficient to satisfy the present cravings of nature, and can take no heed of the future. His taxes are in arrear, quarter-day passes by, another quarter-day arrives: he can procure no more quarter for himself, and is summoned by-the parish. His goods are distrained, his children are crying with cold and hunger, and the very bed on which his sick wife is lying, is dragged from beneath her. What can he do? To whom is he to apply for relief? To private charity? To benevolent individuals? Certainly not-there is his parish. There are the parish vestry, the parish infirmary, the parish surgeon, the parish officers, the parish beadle. Excellent institutions, and gentle, kind-hearted men. The woman dies-she is buried by the parish. The children have no protector-they are taken care of by the parish. The man first neglects, and afterwards cannot obtain, work-he is relieved by the parish; and when distress and drunkenness have done their work upon him, he is maintained, a harmless babbling idiot, in the parish asylum.[.].
