Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

St Martin s Press, United States, 1998. Paperback. Book Condition: New. St Martin s Griffin ed. 208 x 137 mm. Language: English . Brand New Book. An easy-to-use guide to astrology that takes you beyond your Sun Sign and helps you gain insight into your personality and potential.Achieve a deeper understanding of astrology-- a complete guide to understanding your Sun Sign, ascendant, natal planets, and more.Both a science and an art form, astrology is as old as recorded human history. It is the science of possibilities, showing the influence that the position and interaction of the planets at the time of birth have on a person s life, character, and innate potential. The Complete Book of Astrology is a concise, easy-to-use guide that introduces and explores Sun Signs, as well as ascendants, planets, houses, aspects, transits, and other advanced concepts that educate and enlighten. With worksheets, useful resources, and a planet finder to quickly locate planetary positions, The Complete Book of Astrology provides the knowledge and tools for readers who want to gain a deeper understanding of themselves and those around them. An instructive and inspiring guidebook to the most widely practiced of the ancient arts.
