

The Calabash Boys

By V Murphy

iUniverse, Inc. Paperback. Book Condition: New. Paperback. 330 pages. Dimensions: 8.8in. x 6.0in. x 0.9in. The Calabash Boys is a story of tragedy and triumph that explores questions of right and wrong, good and evil, forgiveness, and the contrast between family love and intimate love. It takes the reader on an emotional roller-coaster ride that accelerates beginning with the very first page, and does not slow until the principal players-and the reader-have been forced to reexamine their tenets on morality and social justice. The action begins with an inexplicable mass killing at a suburban office building. Walter Elner-once a man of the law but now hunted as the perpetrator-is thrust into a bizarre, dizzying journey in search of the truth. The story weaves its way toward an international guerilla war between U. S. and South Africa-based radical groups, in which Walter, childhood sweetheart Gertie Walker, and staunch political enemy Louis King, all play central roles. Suspense, humor, passion, and African storytelling color and flavor a tale that raises fundamental questions that cross cultures, and whose answers are, and will remain for some time, illusive. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
