Sixth Column

By Robert A. Heinlein

Baen Books. Book. Book Condition: new. BRAND NEW, Sixth Column, Robert A. Heinlein, It's six against six million in a brilliantly-waged near-future war for nothing less than liberty and justice for all! The totalitarian East has triumphed in a massive invasion and the United States has fallen to a dictatorial superpower bent on total domination. That power is consolidating its grip via concentration camps, police state tactics, and a total monopoly upon the very thoughts of the conquered populace. A tiny enclave of scientists and soldiers survives, unbeknownst to America's new rulers. It's six against six million - but those six happen to include a scientific genius, a master of subterfuge and disguise who learned his trade as a lawyer-turned-hobo, and a tough-minded commander who knows how to get the best out of his rag-tag assortment of American discontents, wily operators, and geniuses. It's going to take technological savvy and a propaganda campaign that would leave Madison Avenue aghast, but the U.S. will rise again. The counter in surgency for freedom is on, and defeat is not an option!.
