

Collected Reprints Volume 3

By Simon Henry Gage

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1880 Excerpt: . making the retiring allowance the Carnegie Foundation showed its liberal spirit in the following communication from President Pritchett: In communicating this action the Executive Committee desires that you President Schurman will extend to Professor Gage the assurance of the high esteem which the Executive Committee has of his work in research and their best wishes for many years of fruitful work in his chosen field. As Professor Gage is giving up active teaching it will not be out of place to mention his great success as a teacher. During the past 30 years, he has personally instructed in the laboratory about 2,000 students. Many of these students have continued their scientific activity and have published scientific papers. To illustrate the wide scope of the students who have come under Professor Gage's influence, or, as he would put it, whom he has had the good...
