

The Manuale Scholarium: An Original Account of Life in the Mediaeval University

Filesize: 4.91 MB

Reviews

Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

(Roosevelt Rohan)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Manuale, of unknown authorship, first appeared in 1481. For the next several centuries it had a succes de fou. Edition after edition was brought out. Professor Seybolt s excellent translation into fluent, colloquial English makes it accessible to the American public, and sooner or later it will find its way into a great many college libraries. The book deals with university life. In form it is a series of dialogues, touching the registration and initiation of new students; the special treatment (of which this is the first notice) accorded to freshmen (who were then called beani) by the old students; undergraduate views of exercises and lectures (cuts were popular then, too, and stringent regulations had to be passed by the university); methods and courses of study, with the requirements for the degree of Atrium Baccalaureus ; poetry and law; students recreations; table talk; quarrels among students; examinations; university regulations; girls; how the student ought to reply when questioned concerning the customs of the university ; matters of good form; etc., etc. In short, no college annual ever gave so complete a survey of student life and thought. Even though these were students of the Middle Ages, human nature has not altered greatly, except that freshmen now have less indignity to endure, an easier gauntlet to run, before being admitted to the privileges of the university. The original is not in the best Ciceronian Latin, and in this translation one or two mistakes of interpretation have been cleared up. The content of the book far outweighs its form. There is no denying that, in spite of the fact that the book raises about as many questions...
