A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

BERRETT-KOEHLER, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. We may never know when or where our calling as leaders will be revealed and put to the test. The decisions we make when faced with a crisis may shape our purpose for the rest of our lives. Sasha Chanoff here expands on his own story, first recounted on The Moth podcast as An Impossible Choice . Charged with evacuating a specific number of refugees, Sasha and his colleague find a group of widows and orphans not on the rescue list. Leaving them behind will mean their death. But attempting to take them will jeopardize the lives of all those on the list. Sasha and David have gathered other stories of crisis and decision, and have drawn out six principles for confronting critical decisions. They reveal the opportunities present in the hardest decisions. From Crisis to Calling is about recognizing your moral center, acting on it, and using it to shape and guide your life and the life of your organization. It s about how preparing for hard decisions can transform you into an inspiring, trusted and ethical leader. It celebrates the power of altruism, which is too often unappreciated in the leadership toolkit.
