Peachpit Press, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This complete training program from Adobe Press and video2brain combines over 10 hours of exceptional video training with a full-color 120-page guide to teach you the fundamentals of Adobe Lightroom 3 as well as the basic principles of image processing and management. After helping you how master the program's interface, experienced trainers Tim Grey and Mikkel Aaland will teach you how to organize and review images, improve your images through lens correction and filters, control and shoot images directly from within the Lightroom workspace, and share your images through slideshows and web galleries. Topics include: * Creating custom montages * Exporting to MP4 video * Applying a custom metadata template * Converting RAW files into DNG format * Using development presets to give your images that special look * Backing up your work so you'll never lose it and more! The lessons are wrapped in a feature-rich interface that lets you jump to any topic and bookmark individual sections for later review. Full-Screen mode provides a hi-def, immersive experience, and Watch-and-Work mode shrinks the video into a small window so you can play the videos alongside your application. As with all titles in the Learn by Video series, the project files used in the lessons are included with the course, and interactive review questions help reinforce what you've learned. Selected videos are also provided ready to be downloaded for viewing on your iPhone, iPod, or other compatible mobile device.
